3. EVS Project and PE project	To be submitted after Christmas vacations
4. Project Submissions Process to be completed for Internal Marks.	18/01/2021
5. Semester I Examination (Exam will be conducted on 50% completion of syllabus)	First or Second week of February, 2021.
6. Regular Lectures i.e Second Phase begins	Post 15 th February, 2021
7. 11th final Exam (Exam will be conducted on full syllabus).	End of April, 2021 (May vary as per 12th boards Exam)

Important Points to be noted for the Faculties:

A) Academic/Syllabus Completion Activity:

- 1) All the Faculties (Full time/Visiting) need to complete 50% syllabus of their respective subjects assigned to them by End of January, 2021 (Refer to point no.5 above).
- 2) For Full time Faculties – EVS & Physical Education subject (both Science & Commerce), project topics need to be given to the students. The student can submit their projects in the Google classroom.

B) Examination/Internal Assessment Schedule:

- 1) **Semester Exam** – Max. Marks is 50. Question papers for the same shall be submitted the end of January, 2021.
- 2) All the Faculties will need to submit their Question papers of their respective subject for Semester Examination. Same shall be evaluated.
- 3) All the faculties will need to update their marks post evaluation of their respective subjects on the Google Drive (sheet will be shared).
- 4) **Mandatory Internal Assessment** – Max. Marks is 20. MCQ type questions in Google Form are recommended. **2 Internal Assessment** shall be conducted i.e One before Semester and One before Final Exam. Faculties shall prepare their respective Google forms and conduct these assessments as per your respective syllabus completion.
